

## Frontier School Fees 2016

The following rates and figures apply to all pupils at the Frontier group of Educore schools in 2016. These fees are subject to review by **Educore** and the school reserves the right to adjust these fees at any time especially if the exchange rate between Zambian Kwacha and US Dollar changes.

### Application and Registration Fee

This payment is due at the point at which parents complete a formal application for a place at the school. It is a one-off fee and is non-refundable, unless the school does not offer the child a place for educational reasons. A fee of ZMW 50 will be required to secure each child's place. The fee will not be refunded under any circumstances if the information provided by the parent is inaccurate in any way. This fee can be paid in cash at the school upon registration.

**We are hoping that in 2016 FNB bank will open in Kalumbila and fees will move to be paid through the bank.**

### Tuition fee

This payment relates to the tuition fees to cover the cost of each child's education throughout the year. For all families, this is payable in either monthly, or termly instalments, in advance. You will be required to register for Mobile Money services with MTN if you wish to use this service,

**Regrettably those students whose tuition fees have not been paid for the forthcoming instalment will not be allowed into lessons, regardless of what point it is in the academic term or year.** This is in the best interests of all the pupils and is in place to ensure that the school will be able to continue to run sustainably.

The school is not responsible for the care of children who have not paid their school fees. Parents should note that children will be asked to go home and duty of care will revert to the parent.
